Dear registered participants of [www.magnetbahnforum.de](http://www.magnetbahnforum.de)

After around 20 years of intense discussion in the online discussion forum, it has become necessary to stop operating the forum. Reason for this are the coming tightening of the European press law, which makes it difficult to cite messages again. In the future, hardly any information can be quoted online. As a non-profit organization, we can no longer bear the resulting legal and financial risks.

If you would like to stay informed about the developments and research results, or perhaps you would like to be invited to conferences and workshops, we would be happy to send you the newsletter, which is free of advertising.

Please register for the Newsletter at <https://www.maglevboard.net/en/newsletter>

Thank you for your long-term loyalty and participation in the discussions. We look forward staying in contact with you via the newsletter.

Best regards  
The International Maglev Board
